Petitioning the Court

To modify the conditions of supervision as follows:

The defendant shall reside for a period of up to 180 days, to commence as directed by the U.S. Probation Officer, in a Community Treatment Center, and shall observe the rules of that facility.

Cause

Of late, Ms. Carroll has had a difficult adjustment. She has abided by her conditions of supervised release; however, due to a recent operation she has lost her employment and is experiencing financial difficulties, and is suffering from depression. On May 27, 2005, she approached this officer and requested a modification of her supervision to allow her to return to the community corrections center. She believes, and I concur, that this placement will assist her with finding another job, increase her savings to allow for an affordable place to live upon her release.
